Professional Indemnity Insurance for FSA Regulated Mortgages and Non Regulated Mortgage / Loan Activities

Rates are calculated on the total of any **FSA Regulated Mortgage Income and Non Regulated Mortgage & Secured Lending Income** (see definitions below) that was received in the applicants last complete financial year prior to inception or renewal of the PI Insurance. If the applicant is in the first trading year or is due to start trading, income should be estimated as accurately as possible, using projections based on the proposed business activities and target market.

Definition of FSA Regulated Mortgage Income (Section 3) – Gross Income derived from Procuration fees, Commission, Broker Arrangement fees, Completion and Packaging fees in respect of any Regulated Mortgage activity including Lifetime Equity Release, Reversionary Schemes & Islamic Law Compliant Home Purchase Plans. Definition of Non Regulated Mortgage & Secured Lending Income (Section 3) – Gross Income derived from Procuration fees, Commission, Broker Arrangement fees, Completion and Packaging fees in respect of any Residential Buy to Let Mortgage, Commercial Mortgage, Bridging Finance and Secured Loan. If you have any Sales Consultants/RI's and/or Appointed Representative firms you must declare their income. The excess applying to Residential Buy to Let Mortgages is usually the same as the Regulated Mortgage excess shown on the schedule but the excess for Commercial Mortgages, Bridging Finance and Secured Loans will be a minimum of £2,500, or the excess shown in the schedule if higher.

Please note we no longer provide cover for Unsecured Loans – if you have an ongoing requirement for this activity, please contact us.

The excess is £1,000 each and every claim/claimant, or the excess shown in the schedule if higher. If you require cover to conduct this activity on a fully advised basis please contact us for the relevant proposal form.

IMPORTANT NOTE – Cover will only be provided for the activities you have selected and where you have declared the relevant gross income.

Professional Indemnity Questionnaire

For Mortgage and/or Non Investment Insurance Contracts

Tlif/Paymentsshield - 1st February 2010 – version 1

Important Information – Please read carefully:

To prevent underwriting difficulties, and to speed up processing, it is very important that all sections are correctly completed. Any sections left incomplete will mean that the application form will be returned to you for amendments. You should be aware that you are not on cover until a fully completed application form has been received and accepted by underwriters and a quote has been accepted by you with the relevant method of payment attached, i.e. single premium cheque, credit card details or bank details have been provided. Please note that it is an FSA requirement that cheques are banked within 24 hours of receipt. The fact that a cheque has been banked does not imply that the premium and/or the proposal has been accepted and/or the Insurance is in force.

You have a duty at all times to notify us if you become aware of any circumstances that may give rise to a claim. In the event that any such circumstances occur before the proposed start date of this insurance, rates may change from those published or those already offered. Please forward all details of the circumstances or complaint, including correspondence from the complainant and any other information you feel is relevant.

Professional Indemnity (PI) policies respond on a claims-made basis, which means that cover is only provided for matters arising where Professional Indemnity Insurance is in force at the time of notification of the complaint or claim. Please note that Professional Indemnity Insurance Certificates are issued as annual contracts and you cannot cancel the Insurance mid-term.

If you require any further information or assistance in completing the application form, please contact your Insurance Broker or the Professional Indemnity team at Towergate Lifestyle.
